

THE WELLHEAD BRISTOL

WELCOME TO THE WELLHEAD

Don't worry about coming to the bar; we are a table service venue, so make yourself comfy. We will come to you to take your order and answer any questions you may have. Tabs are standard, however if you'd like to pay as you go, just let us know.

We believe in quality over quantity, so we understand that our menu is concise; if you'd like a classic cocktail or any off-menu recommendations, please ask! We love making cocktails, and the most important ingredient is that everyone gets a drink that they enjoy.

Last but not least: there will be a discretionary 10% service charge added to your bill, but if you feel that your experience has not been up to scratch, talk to us, and we will remove this for you.

With love,

the Wellhead Team
